

2026 SUMMER YETI 5K & 10K RACE WEEKEND SCHEDULE

We're excited to be partaking in a casual, fun, unofficial, untimed race this summer, benefiting the Children's Programs at SAFE. Be sure and plan lots of rest before your event. Stay off your feet as much as possible in the last week before the race, and we'll be celebrating before you know it!

As much as you can, post photos and videos of your experience on Instagram and our Facebook group. Post at the start, any progress, any words of race excitement or wisdom, and your finish line, so our larger Team FX family can see and support us every step of the way! Mostly have a good time and have a great weekend!
